Dear guests,

we warmly welcome you

in the "klebers" restaurant and are happy

about your visit with us.

According to our motto

"Imaginative - tasteful - joyful"

we have devised and prepared three menus for you.

In addition, we offer you various delicacies à la carte. Of course,
you can also choose dishes individually

select from the menus.

Should we not leave you without a wish with our selection

happy, please contact us

to our team in the restaurant.

Now we wish you an enjoyable and joyful one

Experience with us in the "klebers"!

For the whole kitchen team, yours

Walter Varga

and

Christian Brändle

Please talk to our service staff about allergens and intolerances.

We will be happy to provide you with the explanatory list if necessary.
